Expression	My reading sounds boring and doesn't hold my attention.	I'm trying to read with expression, but sometimes I read it the wrong way.	I'm reading with expression most of the time. It is beginning to sound entertaining.	I always use expression in my reading. It sounds entertaining and exciting!
Rate	My reading is very slow because I have to figure out the words on the page. My reading might be way too fast.	My reading is slow because I read word to word, take breaks, long pauses and self-correct often.	I'm beginning to read like I talk. I slow down to read difficult words. Sometimes I self correct when it doesn't make sense.	I read like I talk! I only slow down to self correct when something doesn't make sense!
Phrasing	I sound like a robot reading one word at a time.	I am trying to group words together as I read, but sometimes I read word to word like a robot.	I am beginning to group more words together like I'm talking and seldom read slowly like a robot.	I put words together like I'm talking. The story makes sense and is interesting to listen to!
Punctuation	I don't notice periods, commas, question marks, or exclamation points when I read.	I'm beginning to notice punctuation but I don't always use it the right way.	I can usually recognize punctuation and use it correctly. Sometimes I make a mistake or miss it.	I always pay attention to punctuation and use it correctly! My reading sounds exciting and interesting.
